WHAT IS JCB CERTIFIED?

JCB Certified offers a comprehensive solution for buying, selling, or exchanging pre-owned JCB machines. Committed to quality, we ensure each machine meets JCB's high standards through a detailed 140-point inspection process.

WHY CHOOSE JCB CERTIFIED?

Maximum Convenience

- Trade in your old JCB machine for a new one and enjoy a variety of benefits.
- Access JCB outlets across India for easy transactions.
- Benefit from easy and quick finance and Insurance options through our banking partners.

Peace of Mind

- Every JCB Certified machine comes with 6-month/1000-hour warranty*.
- Easy access to the machine's service history.
- 2 free services with every new JCB Certified machine purchase.

Quality Assurance

- Each machine undergoes a 140-point inspection to achieve JCB Certified status.
- Only genuine JCB parts are used for refurbishment, ensuring high performance and longevity.

Wide Range of Machines

- A diverse selection of JCB Certified machines to meet your business requirements.

FEATURES OF JCB CERTIFIED MACHINES

140 Checkpoints

- A comprehensive 140-point inspection ensures only high-quality machines are delivered.
